To whom it may concern,

PUMA is committed to being compliant with all industry and federal requirements. Where applicable, our products undergo specific testing related to flammability, small parts, phthalates and lead content.

Therefore, to the best of our knowledge, we hereby confirm that all PUMA products are in accordance with Flammable Fabrics Act, Federal Hazardous Substances Act, the Consumer Product Safety Act and Consumer Product Safety Improvements Act ("CPSIA").

PUMA will have all required "General Conformity Certificates" (GCCs).

The most updated version of the CPSIA requirements as well as the CPSIA compliance procedures can be found here:

[PUMA® - Sustainability handbook and codes of conduct](#)

Please do not hesitate to contact our PUMA Corporate Sustainability Team, if you have further questions or concerns.

Kind regards,

Veronique Rochet
Senior Head of Sustainability
